To Our Customers and Friends:

As successors to the Johnson Brothers Nursery Company, we are now better prepared than heretofore to furnish our trade with high grade Fruit Trees, Plants, Shrubs and Shrubbery. Mr. J. H. Johnson, who has had twenty years' experience in the Nursery business, will continue his connection with us.

Our stock is annually inspected by the Georgia State Board of Entomology, and their rules and regulations are fully complied with. We accept all orders upon the condition that they shall be void should any injury befall the trees from frost, hail, fire or other causes over which we have no control. We exercise the greatest diligence and care to have all our trees, etc., true to label and hold ourselves in readiness, on proper proof, to replace trees, etc., that may prove untrue to label free of charge, or refund the amount paid; but it is mutually understood and agreed to between the purchaser and ourselves that our guarantee of genuineness shall in no case make us liable for any greater sum than that originally received for said trees, etc., that shall prove untrue.

When you place your order with us for trees, plants and shrubbery, you are assured of receiving stock thoroughly acclimated to the Southern territory.

Our shipping station is Rome, Georgia, located on the Southern, Central of Georgia and N., C. & St. L. Railroads. Our Post Office is Rome, Georgia, Box 563. We give prompt attention to mail orders and ship by either Express or Parcel Post, C. O. D.
